Ergonomic keyboards

Your Assembly Workspace Partner

Don't just use any keyboard, choose the one that is best for you. A good keyboard is essential because your fingers travel up to 32 km on a keyboard in a working day (Microsoft, 2003, 7). We supply a wide range of ergonomic keyboards with the aim of preventing and alleviating long term injuries whilst improving your comfort, wellbeing and productivity.

UltraBoard 960 V2 Standard Compact

BNEU960V2UK

70% recycleable
